

QBE Insurance destination list

International and Australian Travel Products

The premium payable depends on a range of factors including destination. The travel plan must be selected based on the destination as follows. Under the International and Australian Travel Plans, Region 1 must be selected if 72 hours or more of the trip is being spent in the USA, South and Central America or Antarctica. Under the Budget Travel Plans, Plan A must be selected if 72 hours or more of the trip is being spent in the USA, Canada or Antarctica. For all other destinations the region where most of the trip will be spent should be chosen.
